Seminar on 'Personality Development and Improvisation'

Date: 25th July, 2018

Time: 10:00 am to 12:00 noon

A seminar on 'Know yourself' encouraging personality improvisation was conducted by the NSS Unit and Women Cell of MBICT on 25th July, 2018 at MBICT Women's Engineering College, New V. V. Nagar. The speaker very skillfully chosen was Dr. Aarti Pamnani, an expert in inter-personal relationships. She explained the students the significance of personality development through a subtle power-point presentation. Through some important factors like control, inclusion and affection she explained the concept of inter-personal relationships. There should be very less difference between contributions and expectations. An analytical test was conducted for students which helped them to find their flaws and improvise in their respective areas of concern.
